Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ROSS AND WILSON ANATOMY AND PHYSIOLOGY IN HEALTH AND ILLNESS (PAPERBACK)

Elsevier Health Sciences, United Kingdom, 2014. Paperback. Condition: New. 12th Revised edition. Language: English. Brand new Book. Ross and Wilson has been the number one choice for over a million students since it first published, over 50 years ago. One of the world's most popular textbooks of anatomy and physiology, it introduces the structure and functions of the human body and the effects of disease or illness on normal body function. More than any other text Ross and Wilson uses easy-to-understand, straightforward language, enhanced by colour illustrations and a huge range of interactive online activities, to make learning more visual and engaging. Ross and Wilson is essential reading for anyone embarking on a career as a healthcare professional, especially in the nursing and allied health professions, complementary / alternative medicine or as paramedics and ambulance technicians. "There are new sections on the implications of normal ageing on the structure and function of the body systems. The glossary has been expanded, as have the online access, learning outcomes and normal values tables. This book is excellent value for money." Reviewed by: Nursing Standard Date: Aug 2014 Carefully refined, clear and unambiguous text which omits the unnecessary detail that can confuse the student new to the subject Highly illustrated with clear colour diagrams and photographs Regular sequences of headings, lists and bullet points help with learning and revision Learning outcomes related to the sections within each chapter Common prefixes, suffixes and roots commonly used in anatomy and physiology Appendix containing useful biological values for easy reference Access to additional electronic resources, including high-quality animations, colouring exercises, case studies, self-testing questions, an audio pronunciation guide and weblinks An accompanying Colouring and workbook that facilitates structured learning and revision of the material in this book. Fully revised and updated text, with a focus on the most commonly occurring disorders New...
